Investing in this Plan puts your capital at risk. You may lose some or all of your investment. This brochure explains the features of the Plan. Please ensure that you read this document fully prior to making an investment. Meteor does not provide financial advice. We recommend that you talk to a financial adviser who will be able to help you assess whether the Plan is suitable for you. You should conduct such independent investigation and analysis of the tax treatment of an investment as you feel appropriate, to evaluate the merits and risks of an investment in the Plan. The information on taxation contained in the brochure is based on our understanding of rates of tax, current legislation, regulations and practice, which are likely to change in the future and which may be applied retrospectively.

About Morgan Stanley

Neither Morgan Stanley nor any of its affiliates has provided advice, nor made any recommendation about investments or tax in relation to this Plan. Morgan Stanley is a global financial services firm and a market leader in securities, investment management and credit services. With over 600 offices in 32 countries, and more than 57,000 employees worldwide, Morgan Stanley connects people, ideas and capital to help clients achieve their financial aspirations.

Since its founding in 1935, Morgan Stanley has served as the pre-eminent financial advisor to companies, governments and investors from around the world, helping redefine the meaning of financial services. The firm has continually broken new ground in advising their clients on strategic transactions, in pioneering the global expansion of finance and capital markets, and in providing new opportunities for individual and institutional investors.

In 1977, Morgan Stanley opened its European headquarters in London, where it now has over 5,000 staff. More than 3,000 further employees are located in the firm's other European offices in Amsterdam, Athens, Budapest, Frankfurt, Geneva, Glasgow, Luxembourg, Madrid, Milan, Moscow, Munich, Paris, Stockholm and Zurich.

Selection of a Counterparty

The security of your investment depends on the creditworthiness of Morgan Stanley. It is possible that Morgan Stanley B.V. and/or Morgan Stanley could collapse or fail to make payments due from the Plan. If this happened you would lose some or all of the money you invest in the Plan as well as any investment returns to which you might otherwise have become entitled.

One of the factors taken into account when selecting a counterparty is its long term credit ratings. These are the opinions of a range of credit rating agencies regarding the long term security of the Counterparty.

A high rating from one or more of the credit rating agencies is not a guarantee that Morgan Stanley will meet its obligation to pay the amount due from the Plan.

Fitch, Moody's and Standard & Poor's are independent ratings agencies that research and grade the ability of financial and other institutions to make the payments due from the Securities issued and/or guaranteed by them.

By way of example, Standard & Poor's highest possible rating is AAA, followed by AA and A. These three ratings along with their BBB rating are generally regarded as investment grade (i.e. of higher quality). All of these ratings, except the AAA rating, can also be modified by a plus or a minus to give a counterparty's relative status within the grade; for example, A+, A, A- for the A rating. Ratings from BB downwards are provided in respect of other securities.

Both in the UK and in Europe generally, Morgan Stanley is one of the leading financial services firms, with longstanding client relationships and a leading role in many landmark transactions. Morgan Stanley offers a full range of services covering mergers, acquisitions, restructurings, fixed income and equity financing, as well as secondary trading, research, foreign exchange, commodities, securities lending, asset management and prime brokerage.

Long Term Credit Ratings and Outlook for Morgan Stanley (Guarantor of Morgan Stanley B.V.)

| Agency | Rating | Date of rating effective | Outlook | Date of outlook effective |
|-------------------|--------|--------------------------|----------|---------------------------|
| Fitch | A | 15/12/2011 | Stable | 15/12/2011 |
| Moody's | Baa2 | 14/11/2013 | Stable | 14/11/2013 |
| Standard & Poor's | A- | 29/11/2011 | Negative | 29/11/2011 |

Source: Bloomberg, 18 November 2013

A rating outlook assesses the potential direction of a long-term credit rating view over the intermediate term. In determining a rating outlook, consideration is given to any changes in the economic and fundamental business conditions. An outlook is not necessarily a precursor of a rating change or future creditwatch action.

- Positive means that a rating may be raised.
- Negative means that a rating may be lowered.
- Stable means that a rating is not likely to change.
- Developing means a rating may be raised or lowered.

All references to the credit rating are correct as at the date of this brochure. Credit ratings are subject to change during the offer period and during the term of the Plan.

Ongoing information about the ratings of Morgan Stanley is available on the Meteor website and we will, where appropriate, include information relating to credit ratings in your periodic valuation statements.

Please refer to your financial adviser if you have any queries regarding credit ratings.

The Plan is not endorsed, sponsored or otherwise promoted by Morgan Stanley or any of its affiliates. None of Morgan Stanley or its affiliates are responsible for the contents of this brochure and nothing in this document should be considered a representation or warranty by Morgan Stanley to any person regarding whether investing in the product is suitable or advisable for such a person.

Income

How income is calculated

The Plan pays a gross monthly fixed income of 0.67% regardless of the performance of the shares, but subject to Counterparty Risk.

The first income payment due date from Morgan Stanley is 13 January 2014. Income payments for Plan holders will be credited up to 10 working days after each Morgan Stanley income payment date. In all cases, any income payments will be made by BACS directly into your nominated bank account.

If the monthly payment date falls on a non-working day, payments will be made on the next Business Day.

The table below gives examples of income payable per month and the total income payable over the full investment term for a range of original investment amounts.

Income payments are paid gross and may be liable to tax in your country of residence. In the United Kingdom any income payments will be subject to Income Tax (see page 9).

| Amount invested | Monthly income | Total income paid |
|-----------------|----------------|-------------------|
| £10,000 | £67.00 | £4,824.00 |
| £25,000 | £167.50 | £12,060.00 |
| £50,000 | £335.00 | £24,120.00 |
| £100,000 | £670.00 | £48,240.00 |

Return of capital

How capital return is calculated

The return of your original capital at maturity is based on the performance of five leading FTSE 100 companies. The amount you invest in the Plan is not guaranteed to be returned in full. You will lose some, or all, of your money if the 50% European soft protection barrier is breached by the lowest performing share.

The Opening Level of each share is recorded on 13 December 2013.

We will record the closing levels of the five shares on 13 December 2019 to determine the Final Level of each share.

The amount of capital returned to you will be decided by the performance of the lowest performing share. If the Final Level of this share is more than 50% below its Opening Level, the amount you invest in the Plan will be reduced by the same percentage that its Final Level is below its Opening Level.

If the Final Level of the worst performing share is equal to or greater than 50% of its Opening Level, you will receive a full return of the money you invest in the Plan.

| Net amount invested after charges | Final Level of the lowest performing share relative to its Opening Level | | | | | |
|-----------------------------------|--|---------|---------|---------|---------|-------|
| | -20% | -45% | -50% | -55% | -80% | -100% |
| £10,000 | £10,000 | £10,000 | £10,000 | £4,500 | £2,000 | £0 |
| £15,000 | £15,000 | £15,000 | £15,000 | £6,750 | £3,000 | £0 |
| £20,000 | £20,000 | £20,000 | £20,000 | £9,000 | £4,000 | £0 |
| £25,000 | £25,000 | £25,000 | £25,000 | £11,250 | £5,000 | £0 |
| £50,000 | £50,000 | £50,000 | £50,000 | £22,500 | £10,000 | £0 |

The table above gives some examples of capital return at the Maturity Date based on a range of movements of the lowest performing share. These examples are not predictions of what we believe you might receive. It is designed to illustrate how the return of your capital is calculated. You should be aware that you could lose all of the money you invest in the Plan.

Simulated historical performance

We have back tested the performance of the five shares over every continuous six year period since 17 November 1988, which is the earliest date for which the share prices of all five were available on Bloomberg. The table below shows how the Plan would have performed over every completed six year period from 17 November 1988 to 22 October 2013, if it had been available.

The table shows that on 4028 instances (84.29% of all observations) that capital would have been returned in full at maturity.

As the potential capital loss is linked to 5 individual shares and not the FTSE 100 Index as a whole, the Plan represents a higher-risk investment than would an investment based on the Index as a whole.

| | Number of cycles | Percentage |
|--|------------------|------------|
| Number of 6 year cycles tested | 4779 | |
| Number of times the Plan would have returned a loss | 751 | 15.71% |
| Number of times the Plan would have returned capital in full | 4028 | 84.29% |

Any adjustment could include the amending of the Opening Level, removal or substitution of the affected company or even early redemption of the product. Examples which may constitute an adjustment event include, but are not limited to, delisting of the share, a merger with or takeover by another company, insolvency or nationalisation. Taxation

The information contained in this Factsheet is based on our understanding of rates of tax, current legislation, regulations and practice, which are likely to change in the future and may be applied retrospectively.

This is a general guide only. The information relates solely to United Kingdom taxation and is expected to apply to you if you are a UK tax resident investor who is the beneficial owner of your investment in this Plan. The statements are not exhaustive and do not constitute tax advice.

It is important that you consult your tax advisers concerning possible taxation and other consequences of making an investment in the Plan.

Any gains made from investments held in SIPPs, SASSs and other pension arrangement will usually be free of tax.

The values of any tax reliefs will depend on your individual circumstances and could change at any time and be applied retrospectively.

When you invest in this income based product individually, jointly or via a trust, the gross income payments will be subject to Income Tax. You will be responsible for ensuring that you declare the receipt of any such interest to your tax office and for the payment on any Income Tax that is due. The rate of tax payable will depend on your own circumstances and tax rates and practice at that time.

Based on current rates, basic rate tax payers would pay 20% income tax, higher rate tax payers 40% and additional rate taxpayers 45%. A lower 10% rate applies for tax payers whose non-savings taxable income is less than £2,790.

The taxation of any income from investments in the Plan made by companies, partnerships or other businesses will depend on the tax position of the organisation.

Further information about tax in the UK is available from the HM Revenue & Customs website www.hmrc.gov.uk.

We will also carry out an electronic data check to verify your identity. The check will be carried out using a reliable and reputable electronic database agency. This is not a credit check and will leave a different 'footprint' on your electronic record to that left by a credit check.

As ISAs/ISA transfers

Individual Savings Accounts (ISAs) were launched in the UK in 1999 to encourage people to save. They allow you to save and invest without paying any tax on any on returns you make from your investment in the Plan. It was announced in the 2010 budget that from 6th April 2011, the annual ISA subscription limits will increase each year by the Retail Prices Index (RPI). This link was amended to the Consumer Price Index (CPI) in the 2011 budget.

The increased limit will be rounded to the nearest multiple of £120. If CPI is negative, the limits will remain unchanged. The limits applicable for each year are posted on our website.

The 2013/14 ISA subscription limit is £11,520 for anyone eligible to invest in an ISA. Up to £5,760 of the ISA allowance can be saved in a cash ISA with one provider. The remainder of the £11,520 can be invested in a stocks and shares ISA with either the same or another provider. Alternatively, the full £11,520 can be invested in a stocks and shares ISA with one provider.

The minimum value for cash ISA transfers is £5,000, with no maximum limit. Cash ISAs may be transferred into stocks and shares ISAs (but not vice versa).

You can invest in this Plan as a stocks and shares ISA only, using your ISA allowance for the 2013/14 tax year.

The minimum investment amount is £5,000.

The Plan is not available to residents of the United States.

Risks

- Cancellation risks**
- If you want to cancel your investment after the Securities have been purchased, you will only get back the value of the Securities when they are sold, which is likely to be less than your original investment.
 - If we pay an adviser charge/fee amount to your financial adviser on your behalf and you subsequently change your mind about investing, you will be responsible for obtaining any refund which may be due to you from your adviser.
-
- Concentration risk**
- The Plan should only be considered as part of your overall investment portfolio.
-
- Counterparty risks**
- There is a risk that the Counterparty could fail to make the payments due under the Securities. In the event of this happening you would lose some or all of the money you invest in the Plan as well as any income payments to which you may otherwise have been entitled.
 - The actual and perceived ability of the Counterparty to meet its obligations may affect the market value of an investment over the term. If the Counterparty fails to meet its obligations, you will get back less than is due to you or nothing at all.
-
- Early encashment risk**
- If you decide to encash the investment before maturity you could get less back than you invested.
 - Please note there is no guarantee the Issuer will make a market in the Securities.
-
- Inflation risk**
- Any inflation will reduce the real value of your investment over time.
-
- Investment risks**
- This is a capital-at-risk product. The capital return at maturity will depend on the performance of the shares and you could lose some, or all, of the money you invest.
 - Should the shares increase by more than the returns provided by the Plan, you would not receive the benefit of any additional income payment above that provided by the Plan.
 - If your circumstances change and you need to withdraw from the Plan prior to the Maturity Date, the Securities would have to be sold and you may not receive back all of the amount you originally invested in the Plan. You will have to pay an administration charge. Please note that there is no guarantee that the Counterparty will provide pricing (see Liquidity risks).
 - Should the Plan be oversubscribed, the purchase might not be completed for you. As we near capacity we will flag this on our website at www.meteoram.com.
 - The value of the Securities that back your Plan may vary significantly throughout the life of the investment. Whether you decide to sell a security at its prevailing value during its life, or whether you wait until maturity, you could receive back significantly less than you invested.
 - The value of the Securities that back your Plan will be initially impacted by any fees or costs that were built into it. Subsequently, factors such as, but not limited to, movements in interest rates, the performance of the shares, and the creditworthiness of the Counterparty will all affect the price of a security.
 - The Opening Level of the shares apply on the Start Date of the Plan and not the date on which you apply for the Securities. The levels may vary significantly between these dates.
 - When the Plan matures you might not be able to reinvest the proceeds to achieve the same, or similar, level of income payment.

Risks – continued

ISA transfer risks

- If you wish to transfer an existing ISA this must be done in cash, which means your existing ISA manager will sell your investment.
- You could lose some interest if you transfer a cash ISA and decide not to wait for the expiry of any notice period. Your existing ISA Manager may also charge you an exit or transfer fee.
- There is the potential for loss of income payment if markets should rise while your transfer remains pending.
- We have a deadline for receipt of ISA transfer applications, to allow time for us to receive the proceeds from your existing ISA Manager. However, if they do not send us the funds you have requested before the Start Date we will not be able to purchase the Securities on your behalf.
- If you have elected to pay any adviser fees in respect of the advice you received to transfer your ISA and have asked us to pay that fee to your adviser on your behalf this could reduce the amount invested with the tax advantages of an ISA.

Liquidity risks

- You should have other savings that you can access immediately and without penalty to meet any emergency cash needs.
- In normal market conditions, it is expected that the Counterparty will provide pricing of the Securities for investors who need access to their capital before the Maturity Date. However, there is no guarantee that you will be able to redeem any investment before the Maturity Date as the decision about whether market conditions are normal will be taken by the Counterparty.
- The terms of the investment may permit the Counterparty to delay, reduce or withhold payments. These provisions are not intended to circumvent what is legally due to you but are intended to cover unforeseen events which affect your return from the Plan, for example, a suspension or delay in receiving prices.
- The Issuer intends to make a market in the Securities on a regular basis under normal market conditions, but the Issuer does not commit and is under no obligation legal or otherwise to make any market in the Securities.

Market risk

- External factors could affect national economies, regions or an asset class and cause a fall in value of the Securities held in your account or in extreme cases, the collapse of the Counterparty.

Pricing risk

- The Counterparty may not be able to quote regular prices making it difficult to value your investment and delaying any early encashment request you may make.

Product risk

- The design of the Plan could produce a return that is lower than a direct investment in the shares or may produce no return at all.

Tax risks

- Before investing in this Plan you should conduct independent investigation and analysis regarding the tax treatment of the investment to evaluate the merits and risks of the Plan. Tax risks include, without limitation, a change in any applicable law, treaty, rule or regulation or the interpretation thereof by any relevant authority which may adversely affect payments in respect of the investment.
- The values of any tax reliefs will depend on your individual circumstances and could change at any time and be applied retrospectively. You should note that the levels and bases of taxation could change in the future and these changes may be applied retrospectively. You should also consider whether you should consult your own tax adviser and carefully review and consider the investment in light of your personal circumstances.
- Re-registration of this investment to a new holder may alter the tax implications indicated on page 9.

Capital-at-risk products

The following section explains a range of products that put your capital at risk. As such products could cause you to lose some or all of your money, it is important that you understand and accept these risks and the possible consequences when you choose any capital-at-risk product.

What are capital-at-risk products?

They are investments from banking, insurance or investment management firms that can offer attractive returns. Capital-at-risk products usually invest in a variety of stockmarket investments, such as shares or debt securities. Products that put your capital at risk include:

- stockmarket based investments.
- investment bonds and funds that invest in debt securities.
- investments linked to the performance of a stockmarket or some other factor such as a collection of shares.

As an alternative, you could invest directly in:

- shares, and so benefit from any dividends paid;
- debt securities, for which you get fixed or variable interest.

The value of direct holdings in shares and other securities can change sharply, down as well as up. Depending on its particular terms and conditions, the value of an investment linked directly or indirectly to a stockmarket may have lesser, similar or greater risk.

Stockmarket-based investments

A wide range of such investments are available. These include investment trusts and collective investment schemes, such as open-ended investment companies (OEICs) and unit trusts. The performance of the investments depends on the investment strategy adopted and general stockmarket conditions. The value of stockmarket-based investments can alter sharply because they are linked to the performance of the underlying shares or bonds.

Investment bonds and funds that invest in debt securities

These vary widely and include distribution bonds, with-profits bonds, unit-linked bonds and corporate bond funds. The money you invest is usually put directly into a stockmarket or into fixed or variable interest funds.

Investments linked to an index or other factor

Repayment of the capital is linked to the performance of an index, a combination of indices or some other factor, such as the performance of a collection of shares. Such investments are called 'structured capital-at-risk products'. Some offer a specified level of income over a fixed period while others offer growth that depends on the performance of an index or other factor. These products, and the risks involved, can vary widely.

What are the main risks involved with capital-at-risk products?

- The capital returned to you at maturity may fall below the original amount invested
- The rate of return advertised might be achieved only after a set period; you may not know until that date how well your investment has performed
- The rate of return you get may depend on specific conditions being met. Even professionals may not be able to judge accurately how likely that will be
- If you take your money out early, you may get back less than you put in.

What is the difference between a capital-at-risk product and a savings account?

When you put your money in a Bank or Building Society savings account, its original value doesn't change and you get interest. The return will be comparatively low, because you haven't risked your capital. With capital-at-risk products you may get higher returns, but you are putting your capital at risk and may end up with less than you put in.

Will I get the advertised rate of return?

This depends on the terms and conditions under which you have invested. Often the advertised rate illustrates what is possible and is no more certain than that.

Frequently asked questions

What is my commitment?

To understand the potential benefits and risks associated with this Plan.

Should I see a financial adviser?

We believe that it is important that you make sure that the Plan is appropriate for you. We do recommend that you talk to a financial adviser before deciding whether to invest in this particular Plan and a specialist tax adviser if you require advice on tax.

How can I access information on my online Account?

You can access details of your investment, including transaction details and valuation, by logging on to the client section of our website www.meteoram.com using your individual username and password which we will provide once your Account is set up.

Can I change my mind about investing?

Yes, you can. When we acknowledge your application we will send you a 'Notice of Your Right to Change your Mind'. You have 14 days from the day you receive this to send it back to us. However, if you choose to withdraw your investment after the Securities have been purchased, you are likely to get back less than you invested. If we pay an adviser charge/fee amount to your financial adviser on your behalf and you subsequently change your mind about investing, you will be responsible for obtaining any refund which may be due to you from your adviser.

What happens if a plan is oversubscribed or the Plan does not proceed?

If your money cannot be invested into the Plan for either of these reasons, your initial investment amount will be returned to you.

Can I encash/transfer a plan before maturity?

In normal market conditions you can, although when your Securities are sold the price is likely to be less than the price you initially paid. You will also be charged an administration fee for early encashment or a transfer fee.

What should I do if I have a complaint?

- In the event you should wish to complain at any time about this Plan, or the service you have received, you may do so by contacting The Compliance Officer, Meteor Asset Management Limited, 55 King William Street, London, EC4R 9AD or by telephoning 020 7904 1010.
 - We will keep you informed during the investigation process and will notify you of our conclusions and explain how these have been reached.
 - If you are not happy with our response you may wish to contact the Financial Ombudsman Service at South Quay Plaza II, 183 Marsh Wall, London E14 9SR, Telephone: 0800 023 4567. Making a complaint does not prejudice your right to take legal action.
 - Full details of our complaint procedure are available upon request.
 - We would draw your attention to the fact that the value of investments can shift unpredictably, and can fall as well as rise and that such a fall is not, in itself, usually a valid reason for complaint.

Frequently asked questions - continued

What are the compensation arrangements?

- If the Counterparty fails to meet its obligations to pay to us the amount due from the Securities and you lose the money you invest in the Plan or any investment return to which you would otherwise have become entitled you will not, for this reason alone, be entitled to compensation from the Financial Services Compensation Scheme (FSCS).
- Meteor Asset Management Limited and Meteor Investment Management Limited are covered by the FSCS and you may be entitled to compensation from the FSCS in the event that we are declared to be 'in default' and you have suffered a loss as a result of Meteor's actions or negligence. In this event, the compensation limit is currently £50,000 per person. If the level of your claim against us is greater than £50,000 you would not be covered for the excess.
- If you have any queries you may wish to contact the FSCS at 10th Floor, Beaufort House, 15 St Botolph Street, London EC3A 7QU, Telephone: 0800 678 1100 or 020 7741 4100. The FSCS website suggests that calling FSCS is the quickest way to have your query resolved.
- We currently use HSBC and Coutts to hold client money. You may be eligible to make a claim if either bank becomes insolvent whilst holding your money prior to the purchase of the Securities, or pending payment to you of the amounts received at the maturity or earlier redemption of the Securities. In this event, the compensation limit is currently £85,000 per person and this applies to all deposits you hold with the insolvent bank and any other member of its group included in the same FCA registration. You would not be covered for any excess amount over the compensation limit.
- Many banking groups use several brands, which means the total deposits within a group will count towards one compensation limit. You can look up details of banking and savings groups on the FCA website: <http://www.fca.org.uk/consumers/complaints/how-to-claim-compensation/banking-and-saving/banking-and-savings-brands>

How are adviser charges managed?

- We will confirm to you all of the charges you ask us to deal with. If you ask us, we will make the payment of initial and/or ongoing charges due to your adviser:
- **Initial charges** will be paid by deducting the amount you have agreed with your adviser from the amount you have sent us for investment. You should note that this will reduce your investment amount and, in respect of ISAs, could result in you not using your full ISA allowance.
- Any **ongoing charges** will be payable half yearly in arrears and calculated on the last working day of March and September. The first payment will be proportionate and will be calculated to the end of the half year following commencement of an investment. We will make these payments to your adviser on your behalf only if you have sufficient cash in your Account for us to do so. Your adviser will be responsible for ensuring that any arrangement for ongoing charges are met.
- You can amend, switch or stop ongoing charges at any time by notifying us. Requested changes will be effective immediately.

What happens to my money:

Before the Plan Manager purchases the Securities for my Plan?

- Cleared funds received during the offer period will be held until the purchase date in the client account of Meteor Investment Management Ltd and your money never forms part of our assets. Meteor Investment Management Limited was established and authorised specifically to administer our plans and to provide safe keeping of client assets. No interest will be accrued to the Start Date of the Plan.
- Any adviser charge you have asked us to pay to your adviser, will be deducted from the money you have paid to us once it has cleared and paid to your adviser.

After the Plan Manager has purchased the Securities?

- The money that you invest will be used to buy the Securities that are designed to provide the capital and investment returns explained in this brochure.
- The terms of the Securities are fixed at outset so there is no ongoing investment management.
- The Securities will be held in the name of 'Meteor Nominees Limited' and will be held by our Custodian, which is currently HSBC. You will remain the beneficial owner of the Securities purchased on your behalf.

When the Securities have matured?

- Once we receive your maturity proceeds from the Issuer we will credit the funds into your Account; this will be held as Client Money. The value of the funds will not change and you will not get interest. We will hold your funds until we receive your written instructions.

Frequently asked questions - continued

What happens to my ISA transfer if a plan is oversubscribed or the Plan does not proceed?

For ISA transfers, we will endeavour to return the cash to your previous ISA Manager. Alternatively, we will await your written instruction to either invest in a different Meteor plan or transfer to another ISA Manager, if possible.

How will you keep me informed?

- We will write to you to acknowledge the Plan you have selected within five working days. With this letter we will send you a summary of your investment and a notice of cancellation.
 - Shortly after the Start Date of the Plan we will send you details of your investment. We will send you a half yearly statement showing the current position of your Plan and any other plans held in your Account.
 - About three weeks before maturity we will write to you via your adviser to provide full details of the position so that your adviser can discuss this with you. We will also alert you to an impending maturity. If you do not have an adviser we will provide the information directly to you.
 - You can access details of your investment, including transaction details and valuation, by logging on to the client section of the Meteor website www.meteoram.com using your individual username and password which we will provide once your Account is set up.
-

What happens to the Plan if I die?

- We will require a death certificate and any supporting documentation so that we can administer your investments, in accordance with instruction by your personal representatives. We will provide valuations of the Plan held as at the date of death and will outline the options available, which will include re-registering the Plan to a new owner so that it can be held until maturity.
 - Where a plan is held jointly by two or more holders, the investment will be the joint property of all the holders and, following proof of death of the relevant holder, all instructions must be authorised by all the remaining joint holders.
 - If the Plan has been established as an ISA, it will cease to be tax exempt from the date of death.
-

Is this Plan right for me?

Prospective investors are advised to read this brochure carefully and consider the following in order to decide if this Plan is appropriate for you. The descriptions below are not, and are not intended to be, a complete list of considerations and therefore should be read as a general guidance on helping you decide if this Plan is right for you. For more information, please contact your financial adviser.

This investment may be appropriate for me as:

- I have received financial advice
- I understand how this investment works
- I am willing and able to accept the risks associated with this Plan
- I accept that I won't know the Opening Levels of the five shares before the Start Date
- I can afford to leave my money in the investment for the full term and I have other savings or investments that are easily accessible
- I want my investment to provide income rather than potential capital growth
- I am comfortable with the fact that if the Final Level of the lowest performing share is below 50% of its Opening Level, I will lose some or all of the money I invest in the plan
- I accept that in the event that the Counterparty and/or the Guarantor default on payments due on this Plan, I may lose some or all of my capital plus any income to which I would have otherwise been entitled
- I understand that I will not have recourse to the FSCS in the event that the Counterparty and/or the Guarantor default
- I am comfortable with the fact that the level and bases of taxation could change in the future, that such changes may be applied retrospectively and that the value of any reliefs will depend on my circumstances
- I understand that in redeeming my Plan early I may lose some or all of the money I invest in the Plan and any income payments from the Plan to which I might otherwise have become entitled

- I am not comfortable with the fact that if the Final Level of the lowest performing share is below 50% of its Opening Level, I will lose some or all of the money I invest in the plan
- I am not prepared to lose any of my capital plus any income to which I would have otherwise been entitled, in the event that the Counterparty and/or the Guarantor default on payments due on this Plan
- I cannot accept that I will not have recourse to the FSCS in the event that the Counterparty and/or the Guarantor default
- I am not willing to accept the fact that the level and bases of taxation could change in the future, that such changes may be applied retrospectively and that the value of any reliefs will depend on my circumstances
- I am not willing to accept the fact that in redeeming my Plan early I may lose some or all of the money I invest in the Plan and any income payments from the Plan to which I might otherwise have become entitled

This investment is probably not appropriate for you.

2. Your Application

a. The Plan Manager may accept a fully and correctly completed Application Form and Gross Invested Amount from you under these Terms and Conditions. The Plan Manager has the right to reject an application for any reason.

b. By signing the Declaration on the Application Form, you confirm that the information you have provided is accurate and complete.

c. By completing the Application Form, you instruct the Plan Manager to choose and buy Securities that have been designed to provide the benefits of the Plan as described in the Plan brochure.

d. You must invest in a Stocks and Shares ISA with your own cash or by transferring cash from an existing Stocks and Shares ISA. The Plan Manager will usually arrange transfers of Stocks and Shares ISAs with the ISA Manager.

These Terms and Conditions will apply to your ISA transfer as soon as the Plan Manager has received the cash.

e. The Plan Manager will notify you if by reason of any failure to satisfy the provisions of the Regulations, a Stocks and Shares ISA has, or will, become void.

f. If the Plan Manager has to cancel or void your Stocks and Shares ISA under the Regulations, you authorise the Plan Manager to hold your Securities outside the Stocks and Shares ISA as a Direct Investment. In this case the Terms and Conditions will continue to apply to your investment as a Direct Investment. If the Plan Manager has to void your Stocks and Shares ISA because you are not eligible to hold it the Plan Manager has the right to deduct any costs or expenses it has incurred.

3. Client Classification

a. The Plan Manager classifies all clients dependent on their knowledge and experience, to ensure that they receive the appropriate level of regulatory protection.

b. Except where otherwise notified to you in writing, the Plan Manager shall treat you as a retail client, for the purposes of the Rules to provide the highest level of regulatory protection.

c. Clients who could fall outside of this classification are other regulated entities, such as insurance companies, investment firms, large occupational pension schemes, listed companies and local or public authorities. Such entities could be classified as either professional clients or eligible counterparties.

d. Investors the Plan Manager classifies as professional clients or eligible counterparties have the right to request a different categorisation to give a higher degree of protection.

4. How the Plan Manager deals with Securities

a. The Plan Manager will be responsible for buying and selling all Securities and will carry out transactions on terms that are at least as favourable as those that the Plan Manager can set when dealing directly with the market maker.

b. The Plan Manager, or its associated companies, may choose and instruct brokers or dealers (including associated companies) to buy, sell and deal in Securities for your Plan, or the Plan Manager may do so itself as a licensed dealer or broker.

c. Your Plan will be debited as soon as the Plan Manager buys investments on your behalf. Upon receipt of cleared funds, any money received prior to the Start Date will be held in the Plan Manager's client account. The Plan Manager does not have to account for any interest earned pending settlements, i.e., interest the Plan Manager earns on cash the Plan Manager holds while the Plan Manager is waiting to pay you for Securities the Plan Manager has sold.

Terms and Conditions - continued

- d. The amount(s) the Plan Manager invests in Securities to be held in your Plan will not exceed the amount of cash and investments placed by you under the Plan Manager's control.
- e. The Plan Manager will be acting as your agent in arranging to buy, or sell, these Securities.
- f. The Plan Manager will act as principal in all transactions for Planholders with the Counterparty.
- g. When you invest in the Plan the relevant principal or nominal amount of Securities will be allocated to you by the Plan Manager and will be held by the Plan Manager or its nominee as your agent and you will be the beneficial owner of those Securities allocated to you.
- h. The Plan Manager may combine your order with orders of other clients when processing them. If this results in the Plan Manager concluding a number of transactions at different prices, all clients involved in the transactions will pay or receive the same average price. This could result in a less favourable price than if your transaction was carried out separately. The Plan Manager takes all reasonable steps to obtain the best possible result for its customers. The Plan Manager takes into account many factors, such as price, costs, speed, likelihood of execution and settlement size, in addition to other considerations relevant to the execution of the order, e.g. market impact. However, due to the nature of the Plan, the purchase and sale of Securities will usually be with the Counterparty, who will also be the market maker.
- i. The Plan Manager will not accept further dividends or cash payments into your Plan after a Stocks and Shares ISA transfer has been completed.
- j. In the case of some Securities, the Plan Manager is required to buy and sell Securities in specific lot sizes or subject to minimum trade volumes. This can mean that in order to fulfil an order in full, Meteor Capital Group Limited may take a small long or short position in a Security. Where Meteor Capital Group Limited holds a short position the total stock of a security held by Meteor Nominees Limited will be slightly less than total required to cover clients' holdings. Meteor Capital Group Limited posts cash or collateral into Meteor Investment Management Limited's client account to cover the market value of such shortfalls at all times. Such positions are always kept to a minimum and are eliminated as soon as possible.
- k. If, for any reason, the Plan Manager is unable to purchase Securities to fulfil the commitments set out in the Plan brochure, your Subscription will be returned to you, less any fee that may have been paid to your adviser as specified.
- l. In the event of the Counterparty or any issuer or guarantor becoming unable to meet its obligations to repay the amounts due, you may not receive the amounts your Plan has been designed to pay and you could lose some, or all, of your Net Invested Amount plus any income payments to which you would otherwise be entitled.
- m. You, or someone you nominate, can ask to see all entries in the Plan Manager's records relating to your transactions at any time. The Plan Manager will maintain these records for at least six years after the transaction date.

5. Conflicts of Interest

- a. The Plan Manager takes all reasonable steps to identify conflicts of interests between it, including its managers, employees and any person linked directly or indirectly to it, and any of its client, and also between clients.
- b. The Plan Manager's aim is to manage any such conflicts that do arise and ensure that all customers are treated fairly.
- c. The Plan Manager has:
 - Identified instances within its business where such conflicts are likely, or possible;
 - Apportioned responsibility for conflict management to appropriate personnel;

- Formulated a policy to manage these conflicts;
- Ensured that all personnel are aware of the Plan Manager's policy on conflicts and are able to identify any potential conflicts and alert senior management accordingly; and
- Established a procedure for a regular flow of relevant management information for analysis.

The Plan Manager will regularly review the conflict policy to ensure that it is, and remains, suitable and appropriate for its business.

6. Your right to change your mind

- a. You have the right to cancel your Plan within 14 days of receiving the acceptance letter from the Plan Manager and a notice of your right to change your mind.
- b. If the Plan Manager has purchased Securities for your Plan before the Plan Manager receives your completed cancellation request, the amount you will receive may be less than the amount of money you invest, if the price at which the Plan Manager sells the Securities is lower than the price you paid for them.
- c. You will be responsible for reclaiming any refund from your financial adviser for an adviser charge that the Plan Manager has paid on your behalf.

7. Cash held

- a. You may invest into the Plan only in line with the published terms.
- b. All money belonging to clients is held in a designated client account in the name of Meteor Investment Management Limited pending their placement in the investment or following maturity or earlier redemption of the Securities. This ensures that all clients' money is separate from the funds belonging to the Plan Manager.

The Plan Manager does not accept any liability for default by any bank or other financial institution holding funds under these Terms and Conditions. In the event of a default on repayment, any shortfall in clients' monies would be apportioned on a pro-rata basis between all investors in the Plan (or as otherwise required under the Rules).
- c. The Plan Manager will use your Subscription less an adviser fee where applicable as described in Condition 9b to purchase the Securities to be held in the Plan.
- d. At maturity, or earlier redemption of the Securities, the Plan Manager will hold the proceeds in the client account, pending reinvestment of the proceeds in a new Plan with us; or the payment of the proceeds to you, or the transfer of the proceeds to a new ISA Manager.
- e. The Plan Manager will remind you periodically if the Plan Manager holds cash within a Stocks and Shares ISA pending reinvestment. If such cash is held for a long period the HM Revenue and Customs could void the Stocks and Shares ISA status of the investment.

8. The Plan Investments

- a. You will be the beneficial owner of the Securities and of any cash held in the Plan.
- b. The Plan Manager will register the Securities held in your Plan in the name of the Nominees. The Nominees are not authorised under the Financial Services and Markets Act 2000 and the Plan Manager takes responsibility for their acts and omissions. If appropriate, the Securities will be held by our custodian, which is currently HSBC Bank plc. The Plan Manager is not responsible for the acts or omissions of the custodian. If the Plan Manager were to become insolvent, you might encounter delays in recovering the cash value of your Securities, and an increased risk of loss. Any shortfall would be shared by all affected investors in the Plan on a pro-rata basis (or as otherwise required under the Rules).

Terms and Conditions - continued

- c. The Plan Manager will hold, or arrange for the safekeeping of, any certificate or other document issued which shows title to the Securities. The Plan Manager will not lend documents of title to any other person and money may not be borrowed on your behalf against the security of these documents.
- d. Unless you tell the Plan Manager otherwise, the Plan Manager may, if the Regulations allow, make arrangements, when appropriate, to use the voting rights of your Securities.
- e. About a month before the Securities mature or in the event of a potential early maturity, the Plan Manager will contact you to explain the various options available to you at maturity of your Plan.
- f. The Plan Manager may use agents in connection with the services that the Plan Manager provides to you and may delegate any or all of its powers or duties to any delegate(s) of its choice in accordance with the Regulations. The Plan Manager will satisfy itself that any person to whom the Plan Manager delegates any of its functions or responsibilities is competent to carry out those functions and responsibilities.
- g. The Securities are structured so that the amount you are due to receive from your Plan at maturity is in accordance with the Plan Objective.

9. Charges

- a. The terms on which the Plan Manager will purchase Securities for you will reflect certain charges, fees and expenses. The total charges will be up to a maximum of 2.6%. This will not affect the calculation of returns described in the Plan brochure.
- b. If you decide to pay any financial adviser charges from your Plan you may instruct the Plan Manager to deduct and pay such fees from your Subscription. In all cases the level of such charges must be agreed by you with your financial adviser.
- c. For paper applications, if you request to receive ongoing paper-based correspondence, there will be an initial charge of 0.25%.
- d. Any charge to your financial adviser will be based on either an agreed percentage of the amount to be invested or an agreed cash amount in relation to the Plan. This charge will be deducted from your Subscription, reducing the amount of money invested in the Plan by this amount.
- e. All charges to your financial adviser that the Plan Manager facilitates will be confirmed to you at the time you agree to invest in the Plan. You are responsible for checking that the amount shown is correct. The Plan Manager will not be responsible for recovering any overpayment from or making up any underpayment to your financial adviser if the amount shown on the confirmation is not the amount you have agreed with your financial adviser.
- f. A schedule of the charges is set out on page 12 of this brochure. The schedule is also available from your Financial Adviser.
- g. Each time charges or expenses are taken the Plan Manager shall send you a statement detailing the charges, the balance in your Plan. The Plan Manager will not make a payment to your financial adviser on an ongoing basis unless there is sufficient cash to pay any ongoing adviser charges.

10. Taxation

- a. If your Plan is a Stocks and Shares ISA and you live in the UK, you will not, under current tax rules, have to pay UK Income Tax or UK Capital Gains Tax on the profit from the Plan but any losses on your Plan will be ignored for the purposes of UK Capital Gains Tax.
- b. If your Plan is, or becomes, a Direct Investment you may, depending on your circumstances, have to pay tax on any interest or income you receive and/or on any capital gain from selling the Plan.
- c. The taxation information in this Condition is based on our understanding of current tax legislation, regulation and practice, which may change in the future and may be applied retrospectively. The tax treatment of your investment will depend on your personal circumstances.

11. Keeping you informed

- a. The Plan Manager will send you an acknowledgement of your Application Form within five working days of Receipt.
- b. The Plan Manager will send details of the purchase of Securities for your Plan, shortly after they have been purchased.
- c. The Plan Manager will give you a report and valuation of your Plan at six monthly intervals, as set out in the brochure.
- d. You can contact the Plan Manager by telephone, Email, fax or letter for any other information you want on the Plan.
- e. The Plan Manager will be able to provide you with information over the telephone after successful completion of its verification of identity procedures, which may include the need to provide one or more characters from your confidential password and/or the provision of personal information, from which the Plan Manager can identify you.
- f. You can obtain information on your investment by accessing our web-based service. When you elect to use the service the Plan Manager will send you a password by Email and username by post. You should use these to enter the secure client section of the website and once in the site you can change either or both of these.
- g. If you ask, the Plan Manager will send you any information the Plan Manager issues to holders of the Securities in which you invest. If you ask the Plan Manager to, the Plan Manager will invite you to vote at meetings. If you want to go to meetings in person, the Plan Manager will try to arrange this. The Plan Manager has the right to make a reasonable charge for providing these extra services.
- h. The Plan Manager may provide all information and correspondence in electronic format via email and/or web services. The Plan Manager may also offer alternative media for information and correspondence from time to time.

12. Transfers

- a. You have the right to transfer your Stocks and Shares ISA to another ISA Manager, as appropriate, at any time and should advise of this in writing.
- b. If you choose to transfer before the Maturity Date of the Plan, as defined in the Plan brochure, the Plan Manager will carry out the sale of the Securities you hold as set out in Conditions 13a & 13b. The Plan Manager will deduct from the sale proceeds the charges outlined in Conditions 9e & 9f before payment to the new ISA Manager.
- c. You cannot transfer part of the Securities you hold in your Plan unless as specified in 12d.
- d. If your Plan holds securities issued by more than one Issuer, you may, subject to the Regulations, separately transfer the value of the Securities issued by one or more issuers.

13. Closing Your Plan

- a. You may close your Plan at any time by giving the Plan Manager your written instructions. This will not affect any transactions the Plan Manager has already started to carry out. The Plan Manager will sell the Securities at the next dealing date and issue payment for the net proceeds (less any applicable fees). The Plan Manager will usually carry out this procedure within 28 Business Days.
- b. The value of your Securities will be dependent on the market price of your holdings at the date of sale. The price will be quoted by the market maker and will reflect the limited market in the Securities. The market maker reserves the right to cease to make a secondary market if market conditions or its corporate circumstances materially change.
- c. If your Plan holds Securities with more than one Issuer the provisions of Condition 13b will apply independently in respect of each Issuer.

Terms and Conditions - continued

- d. Before you close or transfer your Plan prior to maturity you should consider that the Plan is designed to be held for the full investment term.
- e. If circumstances arise where the Plan Manager needs to close your Plan at any time the Plan Manager will notify you in writing and in accordance with Condition 25. This will not affect any transactions the Plan Manager has already started to carry out.
- f. Once this agreement has ended, the Plan Manager will not carry out any transactions, except to allow the Plan Manager to pay the proceeds of the Securities in accordance with your instructions.

14. Death

- a. If you die during the term of the Plan, the Plan Manager will act on the instructions of your personal representatives.
- b. The Plan Manager will confirm the value of the Securities as at the date of death and will advise your personal representatives of its requirements.
- c. If they elect to do so they are able to re-register the ownership of the Plan and hold it to the Maturity Date.
- d. If your personal representatives wish to encash the Securities the charge set out in Clause 9e will apply.
- e. If your Plan is a Stocks and Shares ISA it will cease to be exempt from tax from the date of death.

15. Prevention of money laundering

- a. Your financial adviser has to verify your identity for the purpose of anti-money laundering regulations and will probably have asked you for sight of various documents in order to fulfil this requirement. The Plan Manager is able to accept the verification provided by your adviser but does reserve the right to request additional information and/or documentation to satisfy its own anti-money laundering procedures.
- b. The Plan Manager will carry out electronic checks on your identity before the Plan Manager can accept an application from you or prior to selling Securities on your behalf. This is so that the Plan Manager can be sure that the Plan Manager is taking instructions only from the correct person. The check will be carried out using a reliable and reputable electronic database agency. This is not a credit check and will leave a different 'footprint' on your electronic record to that left by a credit check.
- c. This enables the Plan Manager to comply with the UK anti-money laundering regulations and the Rules and is for your protection. In completing an application you give the Plan Manager permission to obtain such information.
- d. It might be necessary for the Plan Manager to ask you for, and for you to provide, more information as part of this process.

The Plan Manager will not be liable to you or have any responsibility for any loss or damage you suffer as a result of any event or circumstance that is not reasonably within its control. The Plan Manager will not be liable to you for any act or fraud by any person, firm or company through or with whom transactions are carried out on its behalf (other than any bankers, firms, companies or any employees of companies who are associated companies).

- c. If You are not satisfied with the way the Plan Manager has dealt with your complaint you can complain to the Financial Ombudsman Service at South Quay Plaza II, 183 Marsh Wall, London E14 9SR.
Tel: 0800 023 4567.

21. Access to the Financial Services Compensation Scheme

- a. Meteor Asset Management Limited and Meteor Investment Management Limited are covered by the Financial Services Compensation Scheme and you may be entitled to compensation from the scheme if the Plan Manager cannot meet its obligations.
- b. In the event that the Counterparty or other issuer who the Plan Manager deals with on your behalf fails to meet its obligations to pay to the Plan Manager the amount due from the Securities you will not, for that reason alone, be entitled to compensation.

The unenforceable provision will be replaced by an enforceable provision which comes closest to the intention underlying the unenforceable provision and which is of similar economic effect.
- b. If the Plan Manager fails, or chooses not to, enforce any provision of these Terms and Conditions this will not constitute a waiver of its right to subsequently enforce such provision or any other provision of these Terms and Conditions.
- c. None of the Plan Manager's employees, officers or agents may verbally alter, modify or waive any provision of these Terms and Conditions.

24. Data Protection statement

- a. The Plan Manager may hold personal and financial information on computer and manual systems and use this to handle and service your investment and to put together statistics for assessment and analysis.
