Adjustment Events

Should any of the five companies experience an event which may affect the value of its shares, Morgan Stanley & Co. International plc as the Determination Agent will, at its sole and absolute discretion determine whether any adjustment is required. Any adjustment could include the amending of the Opening Levels, removal or substitution of the affected company or even early redemption of the Plan. Examples which may constitute an adjustment event include, but are not limited to, delisting of the share, a merger with or takeover by another company, insolvency or nationalisation. During any adjustment process Morgan Stanley & Co. International plc will act in good faith and in a commercially reasonable manner.

Further information is available within the Base Prospectus which is available upon request.

As soon as practical Meteor will advise clients of the adjustment to be made.

Key Risks

Risk to capital

- This is a capital-at-risk product and you could lose some, or all, of the money you invest in the Plan.
- The capital return is based on the lowest performing of the five Shares. Should the Final Level of the lowest performing Share be more than 50% below its Opening level, you will lose money.

The risks associated with this Plan are not limited to those listed above, but these are the key risks. Further risks are outlined on pages 15 to 17.

Access to capital

- In normal market conditions, it is expected that Morgan Stanley & Co. International plc (the Determination Agent) will provide pricing of the Securities to the Plan Manager for investors who may require access to their investment before the Maturity Date. However, there is no guarantee that you will be able to redeem any investment before the Maturity Date as the decision about whether market conditions are normal will be taken by the Determination Agent (see Liquidity risks).
- If your circumstances change meaning you need to encash the investment before the Maturity Date, and the Securities could be sold, you may not receive back all of the amount you originally invested in the Plan. You will also have to pay an administration charge.

Counterparty risk

- There is a risk that the Issuer and/or Guarantor could fail to make the payments due under the Securities. In the event of this happening you would lose some or all of the money you invest in the Plan as well as any income payments to which you may otherwise have been entitled.
- The actual and perceived ability of Issuer and/or Guarantor to meet its obligations may affect the market value of an investment over the term. If the Issuer and/or Guarantor fail to meet its obligations, you will get back less than is due to you or nothing at all.

How the Plan works

An investment in the Plan constitutes a contractual arrangement with Meteor Asset Management Limited. If you ask us to pay an adviser charge to your adviser (see page 18), this amount will be deducted from the original amount subscribed and the remainder will be the capital you invest in the Plan (the 'Net Subscription'). We will use your Net Subscription to acquire Securities on your behalf, designed with the characteristics required to achieve the investment objectives of the Plan.

The Issuer and/or Guarantor will be responsible for the payment to the Plan Manager of any return of capital and any income payment due from the Securities. The return of any capital and any income payments are therefore dependent on the ability of the Issuer and/or Guarantor to make the payments due from the Securities (see pages 5 and 6).

Income payments are fixed, but the capital returned at maturity is based on the performance of the Shares, and could be less than the amount you invest. You will lose some, or all, of the money you invest in the Plan if the Final Level of the lowest performing Share is below 50% of its Opening Level. This is explained on pages 7 and 8, 'Income' and 'Return of capital'.

Neither the Plan nor the underlying Securities track the Shares directly, but offer the potential for an enhanced return on your investment compared to the actual performance of the Shares.

We have designed the Plan to try to limit the potential for a reduction in your capital should the Shares fall. However, risk has not been eliminated and your capital is at risk (see page 17).

The trade-off for fixed income payments and limiting the possibility of capital loss is that, if the Shares were to increase by more than the 0.61% per month, you would not benefit from any income payable above that provided by the Plan.

In addition, you should also understand that you will not be entitled to receive the dividends that would normally be available if you had invested directly in the Shares.

If the Plan is oversubscribed we may not be able to accept your application.

Compensation arrangements

If the Issuer and/or Guarantor fail to meet their obligations to pay to us the amount due from the Securities, and you lose the money you invest in the Plan or any income payment to which you would otherwise have become entitled, you will not, for this reason alone, be entitled to compensation from the Financial Services Compensation Scheme (FSCS).

Meteor Asset Management Limited and Meteor Investment Management Limited are covered by the FSCS and you may be entitled to compensation from the FSCS in the event that we are declared to be 'in default' and you have suffered a loss as a result of Meteor's actions or negligence. In this event, the compensation limit is currently £50,000 per person. If the level of your claim against us is greater than £50,000 you would not be covered for the excess.

We currently use a range of banks to hold client money. You may be eligible to make a claim if any of the banks we use, or may use in the future, become insolvent whilst holding your money, prior to the purchase of the Securities or pending payment to you of the amounts received at the maturity or earlier redemption of the Securities.

In this event, the compensation limit is currently £85,000 per person and this applies to all deposits you hold with the insolvent bank and any other member of its group. You would not be covered for any excess amount over the compensation limit.

Many banking groups use several brands, which means the total deposits within a group will count towards one compensation limit. You can look up details of banking and savings groups on the FCA website: <http://www.fca.org.uk/consumers/complaints-and-compensation/how-to-claim-compensation/banking-and-saving/banking-and-savings-brands>

Long term credit rating and outlook for Morgan Stanley (Guarantor of Morgan Stanley B.V.)

Agency	Rating	Date rating effective	Outlook	Date outlook effective
Fitch	A	15/12/2011	Stable	15/12/2011
Moody's	Baa2	14/11/2013	Positive	24/07/2014

Morgan Stanley B.V. is not rated in its own right by any of the above-mentioned credit rating agencies

Any information on credit ratings of the Guarantor of the Securities provided in this Brochure is correct at the time of publication. The credit ratings assigned to the Guarantor of the Securities can change at any time without notice.

The Plan is not endorsed, sponsored or otherwise promoted by Morgan Stanley nor any of its affiliates. None of Morgan Stanley or its affiliates are responsible for the contents of this Brochure, and nothing in this document should be considered a representation or warranty by Morgan Stanley to any person regarding whether investing in the Plan is suitable or advisable for such a person.

Selection of a counterparty

The security of your investment depends on the creditworthiness of the Issuer and/or Guarantor. It is possible that the Issuer and/or Guarantor could collapse or fail to make payments due from the Plan. If this happened you would lose some or all of the money you invest in the Plan as well as any income payments to which you might otherwise have become entitled.

One of the factors you may choose to take into account when selecting a counterparty is its long term credit ratings. These are the opinions of a range of credit rating agencies regarding the long term security of the Counterparty.

A high rating from one or more of the credit rating agencies is not a guarantee that the Issuer and/or Guarantor will meet its obligation to pay the amount due from the Plan.

Fitch, Moody's and Standard & Poor's are independent ratings agencies that research and grade the ability of financial and other institutions to make the payments due from the Securities issued and/or guaranteed by them.

By way of example, Standard & Poor's highest possible rating is AAA, followed by AA and A. These three ratings, along with their BBB rating, are generally regarded as investment grade (i.e. of higher quality). All of these ratings, except the AAA rating, can also be modified by a plus or a minus to give a counterparty's relative status within the grade; for example, A+, A, A- for the A rating. Ratings from BB downwards are provided in respect of other securities.

A rating outlook assesses the potential direction of a long-term credit rating view over the intermediate term. The term considered varies between credit rating agencies; Fitch looks at a 12 to 24 month period, Standard & Poor's a 6 to 24 month period, while Moody's says its outlooks are 'over the medium term'. In determining a rating outlook, consideration is given to any changes in the economic and fundamental business conditions. An outlook is not necessarily a precursor of a rating change or future creditwatch action.

- Positive means that a rating may be raised.
- Negative means that a rating may be lowered.
- Stable means that a rating is not likely to change.
- Developing means a rating may be raised or lowered.

All references to the credit rating are correct as at the source date. Credit ratings are subject to change during the offer period and during the term of the Plan.

Ongoing information about the ratings of the Issuer and/or Guarantor is available on the Meteor website and where appropriate. We will include information relating to credit ratings in your periodic valuation statements.

Please refer to your financial adviser if you have any queries regarding credit ratings.

Income

How income is calculated

The Plan pays a fixed gross monthly income of 0.61% regardless of the performance of the Shares, but it is subject to Counterparty Risk.

The monthly income payment dates from Morgan Stanley will be on the 19th of every month, unless it falls on a non-Business Day, in which case income will be paid on the next Business Day. The first Morgan Stanley income

payment date will be 19 January 2015 and the final income date will be 21 December 2020. Income payments will be credited to Plan holders, by the Plan Manager, up to 10 working days after each Morgan Stanley income payment date. In all cases, any income payments will be made by BACS directly into your nominated bank account, by the Plan Manager.

The table below gives examples of income payable per month and the total income payable over the full investment term for a range of original investment amounts.

Income payments are paid gross and may be liable to tax in your country of residence. In the United Kingdom any income payments may be subject to Income Tax (see page 11).

Amount invested	Monthly income	Total income paid
£10,000	£61.00	£4,392.00
£15,000	£91.50	£6,588.00
£25,000	£152.50	£10,980.00
£50,000	£305.00	£21,960.00
£100,000	£610.00	£43,920.00

Return of capital

How capital return is calculated

The return of your original capital at the Maturity Date will be based on the performance of the Shares and the money you invest in the Plan is not guaranteed to be returned in full. The amount of capital returned to you will be determined by the performance of the lowest performing Share.

You will lose some or all of your money if, on 21 December 2020, the Final Level of the lowest performing Share is more than 50% lower than its Opening Level.

In this case, the reduction in your Net Subscription at the Maturity Date will equal the same percentage that the Final Level of the lowest performing Share is below its Opening Level.

For example, if the money you invest is £10,000 and the Final Level of the lowest performing Share is 60% below its Opening Level, you will receive only £4,000 of the money you invest in the Plan.

You should note that the potential capital loss is dependent on the performance of the lowest performing Share only. The Plan therefore represents a higher risk investment than would an investment based on the FTSE 100 Index as a whole.

The Opening Levels of the Shares will be their close of business levels on 19 December 2014.

If the Final Levels of all 5 Shares are at least equal to 50% of their respective Opening Levels, you will receive a full return of your Net Subscription.

The table below gives further examples of the return of capital at maturity based on a range of movements of the lowest performing Share.

These examples are not predictions of what we believe you might receive; they are designed to illustrate how the return of your capital is calculated. You should be aware that you could lose all of the money you invest in the Plan.

Net Subscription	Final Level of the lowest performing Share relative to its Opening Level					
	-20%	-45%	-50%	-55%	-80%	-100%
£10,000	£10,000	£10,000	£10,000	£4,500	£2,000	£0
£15,000	£15,000	£15,000	£15,000	£6,750	£3,000	£0
£20,000	£20,000	£20,000	£20,000	£9,000	£4,000	£0
£25,000	£25,000	£25,000	£25,000	£11,250	£5,000	£0
£50,000	£50,000	£50,000	£50,000	£22,500	£10,000	£0

Simulated historical performance

We have back tested the performance of the five Shares over every continuous six year period since 24 May 1999, which is the earliest date for which the prices of all five Shares were available.

The table below shows how the Plan would have performed over every completed six year period from 24 May 1999 to 31 October 2014, if it had been available.

The table shows that in 1853 instances (77.56% of all observations) capital would have been returned in full at maturity.

However, there were also 536 occasions (22.44%) where the Plan would have produced a loss of capital.

It should be remembered that simulated historical performance is not an indicator of future performance and that this may not be replicated over the term of this Plan.

As the return of capital is dependent on the performance of only five Shares, and not the FTSE 100 Index as a whole, the product represents a higher-risk investment than would an investment based on the Index.

	Number of cycles	Percentage
Number of 6 year cycles tested	2389	
Number of times the Plan would have returned a capital loss	536	22.44%
Number of times the Plan would have returned capital in full	1853	77.56%

Past performance is not a reliable indicator of future performance and should not be used to assess the future returns or risks associated with this Plan.

Taxation

The information contained in this Brochure is based on our understanding of rates of tax, current legislation, regulations and practice, which are likely to change in the future and may be applied retrospectively.

This is a general guide only. The information relates solely to United Kingdom taxation and is expected to apply to you if you are a UK tax resident investor, who is the beneficial owner of your investment in this Plan. The statements are not exhaustive and do not constitute tax advice.

It is important that you consult your tax advisers concerning possible taxation and other consequences of making an investment in the Plan.

Any gains made from investments held in SIPP, SASSs and other pension arrangements will usually be free of tax. Should you invest within an NISA, the return will be tax free.

The values of any tax reliefs will depend on your individual circumstances and could change at any time and be applied retrospectively.

When you invest in this income based product individually, jointly or via a trust, the gross income payments will be subject to Income Tax. You will be responsible for ensuring that you declare the receipt of any such income to your tax office and for the payment of any Income Tax that is due. The rate of tax payable will depend on your own circumstances and tax rates and practice at that time.

Based on current rates, basic rate tax payers would pay 20% income tax, higher rate tax payers 40% and additional rate taxpayers 45%.

A lower 10% rate applies for lower earners. Depending on personal circumstances, this rate may apply to up to the first £2,880 of savings earnings. The 10% rate will be abolished in April 2015 and replaced with a nil rate and the amount the rate is applied to will be raised from a possible £2,880 to £5,000.

The taxation of any income from investments in the Plan made by companies, partnerships or other businesses will depend on the tax position of the organisation.

Further information about tax in the UK is available from the HM Revenue & Customs website www.hmrc.gov.uk

Anti-money laundering regulations

Your financial adviser has to verify your identity, for the purpose of anti-money laundering regulations, and will probably have asked you for documentary evidence in order to fulfil this requirement. We are able to accept the verification provided

by your financial adviser but we reserve the right to request additional information and/or documentation to satisfy our own anti-money laundering procedures.

We will also carry out an electronic data check to verify your identity.

The check will be carried out using a reliable and reputable electronic database agency. This is not a credit check and will leave a different 'footprint' on your electronic record to that left by a credit check.

Investing

Before you decide to invest you should have read this Brochure, including the Terms and Conditions, making sure that you understand the nature of the investment. The section 'Is this Plan right for me?' (on page 21) will act as a helpful reminder of the questions you should ask yourself.

You can place an order for a plan either online or by completing and submitting a paper based Application Form. Please note there will be an initial charge of 0.25% for paper-based applications that request ongoing paper-based correspondence, including valuation statements sent to you by post.

form as we will use this information as the basis of any payments we make to your adviser on your behalf. You may amend or cancel this instruction in writing at any time (see page 18).

NISA transfer applications must be received by Meteor by the 'NISA transfer application' date to allow sufficient time to instruct the current NISA Manager and for them to complete the transfer of funds to Meteor.

If you are sending funds via bank transfer (BACS or CHAPS) please check with your bank to confirm whether funds are transferred instantly, or whether there is a clearing period which can be up to three working days before cleared funds will be received in the Meteor Client Account.

Application Forms accompanied by a cheque must be received by Meteor by the 'Applications with cheques' date, to allow sufficient time for the cheque to clear. Cheques should be for the full amount you want to invest, plus any adviser charge you wish us to make on your behalf, and be made payable to 'Meteor Investment Management Limited Client Account'. If you are sending in a building society, company or scheme cheque please make sure that it has your name in brackets after the wording above.

Your completed Application Form and cheque should be sent to your financial adviser or directly to us at 55 King William Street, London, EC4R 9AD.

This Plan may be held:

By individuals

As an individual, jointly, or on behalf of a child under the age of 18.

By pension arrangements

The trustees, subject to the terms of your scheme, can hold plans as a permitted investment within any type of pension arrangement, including a SIPP and a SSAS.

By trustees/companies/partnerships

This Plan may be held by trustees, companies or partnerships, subject to relevant articles of association permitting such an investment.

As New Individual Savings Accounts (NISAs)

Individual Savings Accounts (ISAs) were launched in the UK in 1999 to encourage people to save. They allow

you to save and invest without paying any tax on any on returns you make from your investment in the Plan. In his Budget of 19 March 2014, the Chancellor announced major changes in ISAs which, from 1st July 2014 are called New ISAs, or NISAs. From that date all stocks and shares ISAs became stocks and shares NISAs and all cash ISAs become cash NISAs.

The subscription limit for 2014/2015 has been raised to £15,000 (from £11,880) which may be split between a cash NISA and a stocks and shares NISA in any proportion as long as the overall £15,000 limit is not exceeded.

Investors are now able to transfer a stocks and shares NISA to a cash NISA, as well as from a cash NISA to a stocks and shares NISA, and between NISAs of the same type.

Investors who have already subscribed to a stocks and shares NISA can only "top up" their subscription to the new limit with the same stocks and shares NISA Manager and/or by investing in a cash NISA. Investors who have already subscribed to a cash NISA can only top up their subscription with the same cash ISA manager and / or by investing in a stocks and shares NISA. In all cases the total subscribed must not exceed £15,000. If the current NISA manager does not allow additional investment for the current year, investors may transfer their ISA to a manager that will allow top-ups but should take financial advice before doing so (see NISA transfer risks on page 15).

The minimum value for NISA transfers is £5,000, with no maximum limit.

The Plan is not available to residents of the United States.

You have the choice of applying for a plan online, or by sending in paper applications. If you open an account online, we will send all regular communications to you by email, so please remember to tell us if you change your email address.

If you complete a paper application you will still have the option of receiving future communications online, by ticking the appropriate box on the Application Form.

You can change the mode of receiving communications by notifying us. As this would be a fundamental change to the way we deal with you we would require a letter signed by all investors to make the change.

In all cases we will send you confirmation that your Account has been opened by letter and, where we have your email address, by email. Your Account will allow you to hold all the plans you apply for in one place.

One of the key benefits of this is the ability for investors to access and review their investments online at anytime and we hope that all investors utilise the functionality of the website.

Risks

In addition to the key risks set out on page 2, there are a number of other risks associated with this investment that you should understand.

Cancellation risks

- If you want to cancel your investment after the Securities have been purchased, you will only get back the value of the Securities when they are sold, which is likely to be less than your original investment.
- If we pay an adviser charge/fee amount to your financial adviser on your behalf and you subsequently change your mind about investing, you will be responsible for obtaining any refund which may be due to you from your adviser.

Concentration risk

- The Plan should only be considered as part of your overall investment portfolio. You should not put all, nor a large part, of the money you have available for investment into any one plan, to avoid over exposure to a Counterparty or plan type.

Inflation risk

- Any inflation will reduce the real value of your investment over time.

Investment risks

- Should the Shares increase by more than the returns provided by the Plan, you would not receive the benefit of any additional income payment above that provided by the Plan.
- Should the Plan be oversubscribed, the purchase might not be completed for you. As we near capacity we will flag this on our website at www.meteoram.com.
- The value of the Securities that back your Plan may vary significantly throughout the life of the investment. Whether you decide to sell a security at its prevailing value during its life, or whether you wait until maturity, you could receive back significantly less than you invested.
- The value of the Securities that back your Plan will be initially impacted by any fees or costs that were built into it. Subsequently, factors such as, but not limited to, movements in interest rates, the performance of the Shares, and the creditworthiness of the Counterparty will all affect the price of a security.
- The Opening Levels of the Shares apply on the Start Date of the Plan and not the date on which you apply for the Securities. The levels may vary significantly between these dates.
- When the Plan matures you might not be able to reinvest the proceeds to achieve the same, or similar, level of income payment.

NISA transfer risks

- If you wish to transfer an existing NISA this must be done in cash, which means your existing NISA Manager will sell your investment. Your existing NISA Manager may also charge you an exit or transfer fee.
- You could lose some interest if you transfer a cash NISA and decide not to wait for the expiry of any notice period.
- If you transfer a stocks and shares NISA there is the potential for loss of investment growth if markets should rise while your transfer remains pending.
- We have a deadline for receipt of NISA transfer applications, to allow time for us to receive the proceeds from your existing NISA Manager. However, if they do not send us the funds you have requested before the Start Date we will not be able to purchase the Securities on your behalf.
- If you have elected to pay any adviser fees and have asked us to pay that fee to your adviser on your behalf this could reduce the amount invested with the tax advantages of a NISA.

Risks – continued

Liquidity risks

- You should have other savings that you can access immediately and without penalty to meet any emergency cash needs.
- The terms of the investment may permit the Counterparty to delay, reduce or withhold payments. These provisions are not intended to circumvent what is legally due to you but are intended to cover unforeseen events which affect your return from the Plan, for example, a suspension or delay in receiving prices.
- The Issuer intends to make a market in the Securities on a regular basis under normal market conditions, but the Issuer does not commit and is under no obligation, legal or otherwise, to make any market in the Securities.

Market risk

- As the capital return is based on the lowest performing of the five Shares, you will lose some, or all, of your money if one or more of the Shares is below 50% of its Opening Level.

- External factors could affect national economies, regions or an asset class and cause a fall in value of the Securities held in your account or, in extreme cases, the collapse of the Counterparty.
- In the event that a Market Disruption or an Adjustment Event occurs (see page 4), the Securities may be subject to such changes as are agreed between the Counterparty and Meteor or terminated by the Counterparty. In either such case the income payment applicable to such Security may be varied by the Counterparty, in its commercially reasonable discretion.

Pricing risk

- The Counterparty may not be able to quote regular prices, making it difficult to value your investment and delaying any early encashment request you may make.

Product risk

- The design of the Plan could produce a return that is lower than a direct investment in the Shares or may produce no return at all.

Tax risks

- Before investing in this Plan you should conduct independent investigation and analysis, regarding the tax treatment of the investment, to evaluate the merits and risks of the Plan.
- Tax risks include, without limitation, a change in any applicable law, treaty, rule or regulation or the interpretation thereof by any relevant authority which may adversely affect payments in respect of the investment.
- The values of any tax reliefs will depend on your individual circumstances. You should note that the levels and bases of taxation, and any tax reliefs, could change in the future and these changes may be applied retrospectively. You should also consider whether you should consult your own tax adviser and carefully review and consider the investment in light of your personal circumstances.
- Re-registration of this investment to a new holder may alter the tax implications indicated on page 11.

Capital-at-risk products

The following section explains a range of products that put your capital at risk. As such products could cause you to lose some, or all, of your money, it is important that you understand and accept these risks and the possible consequences when you choose any capital-at-risk product.

What are capital-at-risk products?

They are investments from banking, insurance or investment management firms that can offer attractive returns. Capital-at-risk products usually invest in a variety of stockmarket investments, such as shares or debt securities.

Products that put your capital at risk include:

- stockmarket based investments.
- investment bonds and funds that invest in debt securities.
- investments linked to the performance of a stockmarket or some other factor such as a collection of shares.

As an alternative, you could invest directly in:

- shares, and so benefit from any dividends paid;
- debt securities, for which you get fixed or variable interest.

The value of direct holdings in shares and other securities can change sharply, down as well as up. Depending on its particular terms and conditions, the value of an investment linked directly or indirectly to a stockmarket may have lesser, similar or greater risk.

Stockmarket-based investments

A wide range of such investments are available. These include investment trusts and collective investment schemes, such as open-ended investment companies (OEICs) and unit trusts. The performance of the investments depends on the investment

strategy adopted and general stockmarket conditions. The value of stockmarket-based investments can alter sharply because they are linked to the performance of the underlying shares or bonds.

Investment bonds and funds that invest in debt securities

These vary widely and include distribution bonds, with-profits bonds, unit-linked bonds and corporate bond funds. The money you invest is usually put directly into a stockmarket or into fixed or variable interest funds.

Investments linked to an index or other factor

Repayment of the capital is linked to the performance of an index, a combination of indices or some other factor, such as the performance of a collection of shares. Such investments are called 'structured capital-at-risk products'. Some offer a specified level of income over a fixed period while others offer growth that depends on the performance of an index or other factor. These products, and the risks involved, can vary widely.

What are the main risks involved with capital-at-risk products?

- Your capital can fall below the amount you put in.
- The rate of return advertised might be achieved only after a set period; you may not know until that date how well your investment has performed.

- The rate of return you get may depend on specific conditions being met. Even professionals may not be able to judge accurately how likely that will be.
- If you take your money out early, you may get back less than you put in.

What is the difference between a capital-at-risk product and a savings account?

When you put your money in a Bank or Building Society savings account, its original value doesn't change and you earn interest. The return will be comparatively low, because you haven't risked your capital. With capital-at-risk products you may achieve higher returns, but you are putting your capital at risk and may end up with less than you put in.

Will I get the advertised rate of return?

This depends on the terms and conditions under which you have invested. Often the advertised rate illustrates what is possible and is no more certain than that.

Frequently asked questions

What is my commitment?

To understand the potential benefits and risks associated with this Plan.

Should I see a financial adviser?

We believe that it is important that you make sure that the Plan is appropriate for you. We do recommend that you talk to a financial adviser and a specialist tax adviser, if you require advice on tax, before deciding whether to invest in this particular Plan.

How can I access information on my online Account?

You can access details of your investment, including transaction details and valuation, by logging on to the client section of our website **www.meteoram.com** using your individual username and password which we will provide once your Account is set up.

Can I change my mind about investing?

Yes, you can. When we acknowledge your application we will send you a 'Notice of Your Right to Change Your Mind'. You have 14 days from the day you receive this to send it back to us. However, if you choose to withdraw your investment after the Securities have been purchased, you are likely to get back less than you invested. If we pay an adviser charge/fee amount to your financial adviser on your behalf, and you subsequently change your mind about investing, you will be responsible for obtaining any refund which may be due to you from your adviser.

What happens if a plan is oversubscribed or does not proceed?

If your money cannot be invested into the Plan for either of these reasons, your initial investment amount will be returned to you.

Can I encash/transfer a plan before maturity?

In normal market conditions you can, although when your Securities are sold the price is likely to be less than the price you initially paid. You will also be charged an administration fee for early encashment or a transfer fee.

What should I do if I have a complaint?

- In the event you should wish to complain at any time about this Plan, or the service you have received, you may do so by contacting The Compliance Officer, Meteor Asset Management Limited, 55 King William Street, London, EC4R 9AD or by telephoning 020 7904 1010.
- We will keep you informed during the investigation process and will notify you of our conclusions and explain how these have been reached.
- If you are not happy with our response you may wish to contact the Financial Ombudsman Service at South Quay Plaza II, 183 Marsh Wall, London E14 9SR. Telephone: 0800 023 4567. Making a complaint does not prejudice your right to take legal action.

- Full details of our complaint procedure are available upon request.
- We would draw your attention to the fact that the value of investments can shift unpredictably, and can fall as well as rise and that such a fall is not, in itself, usually a valid reason for complaint.

How are adviser charges managed?

- If you ask us, we will make the payment of any initial charge due to your adviser.
- An initial charge will be paid by deducting the amount you have agreed with your adviser from the amount you have sent us for investment. You should note that this will reduce your investment amount.
- We will confirm to you the amount of the charge you have asked us to deal with.

Frequently asked questions - continued

What happens to my money:

Before the Plan Manager purchases the Securities for my Plan?

- Cleared funds received during the offer period will be held until the purchase date in the Client Account of Meteor Investment Management Limited and your money never forms part of our assets. Meteor Investment Management Limited was established and authorised specifically to administer our plans and to provide safe keeping of client assets. No interest will be accrued to the Start Date of the Plan.
- Any adviser charge you have asked us to pay to your adviser, will be deducted from the money you have paid to us, once it has cleared, and paid to your adviser.

After the Plan Manager has purchased the Securities?

- The money that you invest will be used to buy the Securities that are designed to provide the capital and income payments explained in this Brochure.
- The terms of the Securities are fixed at outset so there is no ongoing investment management.
- The Securities will be held in the name of 'Meteor Nominees Limited' and will be held by our Custodian, which is currently The Northern Trust Company. You will remain the beneficial owner of the Securities purchased on your behalf.

When the Securities have matured?

- Once we receive your maturity proceeds from the Issuer we will credit the funds into your Account; this will be held as Client Money and no interest will be paid on this amount.

- The maturity value will be available within 10 Business Days of a Measurement Date in the event of an early maturity, or on the Maturity Date, if the Plan runs for the full term.
- However, we will not make any payment until we have received your written instruction and will therefore continue to hold your money until you advise us whether you wish to take the cash value or reinvest.

What happens to my NISA transfer if a plan is oversubscribed or does not proceed?

For NISA transfers, we will endeavour to return the cash to your previous NISA Manager. Alternatively, we will await your written instruction to either invest in a different Meteor plan or transfer to another NISA Manager, if possible.

How will you keep me informed?

- We will write to you to acknowledge the Plan you have selected within five working days. With this letter we will send you a summary of your investment and a notice of cancellation.
- Shortly after the Start Date of the Plan we will send you details of your investment. We will send you a half yearly statement as at 5 April and 5 October showing the current position of your Plan and any other plans held in your Account.
- About three weeks before maturity we will write to you via your adviser to provide full details of the position so that your adviser can discuss this with you. We will also alert you to an impending maturity. If you do not have an adviser we will provide the information directly to you.

- You can access details of your investment, including transaction details and valuation, by logging on to the client section of the Meteor website **www.meteoram.com** using your individual username and password which we will provide once your Account is set up.

What happens to the Plan if I die?

- We will require a death certificate and any supporting documentation so that we can administer your investments, in accordance with instruction by your personal representatives. We will provide valuations of the Plan held as at the date of death and will outline the options available, which will include re-registering the Plan to a new owner so that it can be held until maturity.
- Where a plan is held jointly by two or more holders, the investment will be the joint property of all the holders and, following proof of death of the relevant holder, all instructions must be authorised by all the remaining joint holders.
- If the Plan has been established as a NISA, it will cease to be tax exempt from the date of death.

About Meteor

Meteor Asset Management Limited will act as Plan Manager. Meteor Investment Management Limited (MIM) is the Plan Administrator for the Plan. MIM was established for the specific purposes of administering Meteor's own plans and those we are administering on behalf of third parties, and for the keeping of all client assets.

To Meteor, treating customers fairly is more than just an FCA Principle; it is part of the sound foundation on which our business is built.

transparency throughout the term of any investment.

Meteor does not offer financial advice or guidance on tax issues. However, we believe that it is important to seek such advice before you invest, to ensure that you choose an investment which is suitable for you.

Is this Plan right for me?

Prospective investors are advised to read this Brochure carefully and consider the following in order to decide if this Plan is appropriate for you. It will not be appropriate for you unless you can answer “yes” to the following comments:

- I understand that the investment is designed to mature at the end of the 6 year 2 week term
- I accept that in the event that the Issuer and/or Guarantor default on payments due on this investment, I may lose some or all of my capital plus any income to which I would have otherwise been entitled
- I am comfortable with the fact that if the Final Level of the lowest performing Share is below 50% of its Opening Level, I will lose some or all of the money I invest in the Plan
- I understand that there is no guarantee that the Counterparty will provide pricing
- I understand I will not have recourse to the FSCS in the event that the Counterparty defaults

There are other factors that you should consider. The descriptions below are not, and are not intended to be, a complete list of considerations and therefore should be read as a general guidance on helping you decide if this Plan is right for you. For more information, please contact your financial adviser.

- I accept that I won't know the Opening Levels of the Shares before the Start Date

- I can afford to leave my money in the investment for the full term and I have other savings or investments that are easily accessible
- I want my investment to provide income rather than potential capital growth
- I am comfortable with the fact that the level and bases of taxation could change in the future, that such changes may be applied retrospectively and that the value of any reliefs will depend on my circumstances
- I understand that in redeeming my Plan early I may lose some or all of the money I invest in the Plan and any income payments from the Plan to which I might otherwise have become entitled

This could be an appropriate investment for you. However, you should seek advice from your financial adviser.

- I cannot afford to leave my money in the investment as I am likely to need access to my money during the investment term
- I want my investment to provide potential capital growth rather than income
- I am not willing to accept the fact that the level and bases of taxation could change in the future, that such changes may be applied retrospectively and that the value of any reliefs will depend on my circumstances

Terms and Conditions - continued

3. Client Categorisation

- a. The Plan Manager categorises all clients dependent on their knowledge and experience, to ensure that they receive the appropriate level of regulatory protection.
- b. Except where otherwise notified to you in writing, the Plan Manager shall treat you as a retail client, for the purposes of the Rules to provide the highest level of regulatory protection.
- c. Clients who could fall outside of this categorisation are other regulated entities, such as insurance companies, investment firms, large occupational pension schemes, listed companies and local or public authorities. Such entities could be categorised as either professional clients or eligible counterparties.
- d. Investors whom the Plan Manager categorises as professional clients or eligible counterparties have the right to request a different categorisation to give a higher degree of protection.

4. How the Plan Manager deals with Securities

- a. The Plan Manager will be responsible for buying and selling all Securities and will carry out transactions on terms that are at least as favourable as those that the Plan Manager can set when dealing directly with the market maker.
- b. The Plan Manager, or its associated companies, may choose and instruct brokers or dealers (including associated companies) to buy, sell and deal in Securities for your Plan, or the Plan Manager may do so itself as a licensed dealer or broker.
- c. Your Plan will be debited as soon as the Plan Manager buys investments on your behalf. Upon receipt of cleared funds, any money received prior to the Start Date will be held in the Plan Manager's Client Account. The Plan Manager does not have to account for any interest earned pending settlements, i.e., interest the Plan Manager earns on cash held while the Plan Manager is waiting to pay you for Securities sold.
- d. The amount(s) the Plan Manager invests in Securities to be held in your Plan will not exceed the amount of cash placed by you under the Plan Manager's control.
- e. The Plan Manager will be acting as your agent in arranging to buy, or sell, these Securities.
- f. The Plan Manager will act as principal in all transactions for Plan holders with the Counterparty.
- g. When you invest in the Plan the relevant principal or nominal amount of Securities will be allocated to you by the Plan Manager, and will be held by the Plan Manager or its nominee as your agent, and you will be the beneficial owner of those Securities allocated to you.

- h. The Plan Manager may combine your order with orders of other clients when processing them. If this results in the Plan Manager concluding a number of transactions at different prices, all clients involved in the transactions will pay or receive the same average price. This could result in a less favourable price than if your transaction was carried out separately. The Plan Manager takes all reasonable steps to obtain the best possible result for its customers. The Plan Manager takes into account many factors, such as price, costs, speed, likelihood of execution and settlement size, in addition to other considerations relevant to the execution of the order, e.g. market impact. However, due to the nature of the Plan, the purchase and sale of Securities will usually be with the Counterparty, who will also be the market maker.
- i. The Plan Manager will accept further dividends and cash payments into your Plan after a stocks and shares NISA transfer has been completed, but cannot invest once the Plan has passed the Start Date.
- j. In the case of some Securities, the Plan Manager is required to buy and sell Securities in specific lot sizes or subject to minimum trade volumes. This can mean that, when fulfilling an order, Meteor Capital Group Limited may take a small long or small short position in a Security. Where Meteor Capital Group Limited holds a short position, the total stock of a security held by Meteor Nominees Limited will be slightly less than total required to cover clients' holdings. Meteor Capital Group Limited posts cash or collateral into Meteor Investment Management Limited's Client Account to cover the market value of such shortfalls at all times. Such positions are always kept to a minimum and are eliminated as soon as possible.
- k. If, for any reason, the Plan Manager is unable to purchase Securities to fulfil the commitments set out in the Brochure, your Net Subscription will be returned to you.
- l. In the event of the Counterparty or the Issuer or guarantor becoming unable to meet its obligations to repay the amounts due, you may not receive the amounts your Plan has been designed to pay and you could lose some, or all, of your Net Subscription plus any income payments to which you would otherwise be entitled.
- m. You, or someone you nominate, can ask to see all entries in the Plan Manager's records relating to your transactions at any time. The Plan Manager will maintain these records for at least six years after the transaction date.

5. Conflicts of Interest

- a. We take all reasonable steps to identify conflicts of interests between the Plan Manager and the Plan Administrator, including its managers, employees and

any person linked directly or indirectly to them, and any of their clients, and also between clients.

- b. Our aim is to manage any such conflicts that do arise and ensure that all customers are treated fairly.
- c. The Plan Manager has:
 - identified instances within its business where such conflicts are likely, or possible;
 - apportioned responsibility for conflict management to appropriate personnel;
 - formulated a policy to manage these conflicts;
 - ensured that all personnel are aware of the Plan Manager's policy on conflicts and are able to identify any potential conflicts and alert senior management accordingly; and
 - established a procedure for a regular flow of relevant management information for analysis.

We will regularly review the conflict policy to ensure that it is, and remains, suitable and appropriate for its business.

6. Your right to change your mind

- a. You have the right to cancel your Plan within 14 days of receiving the acceptance letter from the Plan Manager and a Notice of Your Right to Change Your Mind.
- b. If the Plan Manager has purchased Securities for your Plan before we receive your completed cancellation request, the amount you will receive may be less than the amount of money you invest, if the price at which we sell the Securities is lower than the price you paid for them.
- c. You will be responsible for reclaiming any refund from your financial adviser for an adviser charge that the Plan Manager has paid on your behalf.

7. Cash held

- a. You may invest into the Plan only in line with the published terms.
- b. All money belonging to clients is held in a designated Client Account in the name of Meteor Investment Management Limited, pending their placement in the investment or following maturity or earlier redemption of the Securities. This ensures that all clients' money is separate from the funds belonging to the Plan Manager.

The Plan Manager does not accept any liability for default by any bank or other financial institution holding funds under these Terms and Conditions. In the event of a default on repayment, any shortfall in clients' monies would be apportioned on a pro-rata basis between all investors in the Plan (or as otherwise required under the Rules).

Terms and Conditions - continued

- c. The Plan Manager will use your Net Subscription to purchase the Securities to be held in the Plan.
- d. At maturity, or earlier redemption of the Securities, the Plan Manager will hold the proceeds in the Client Account, pending reinvestment of the proceeds in a new Plan with us; or the payment of the proceeds to you, or the transfer of the proceeds to a new NISA Manager.
- e. The Plan Manager will remind you periodically if the Plan Manager holds cash within a stocks and shares NISA pending reinvestment. If such cash is held for a long period the HM Revenue and Customs could void the stocks and shares NISA status of the investment.

8. The Plan Investments

- a. You will be the beneficial owner of the Securities and of any cash held in the Plan.
- b. The Plan Manager will register the Securities held in your Plan in the name of the Nominees. The Nominees are not authorised under the Financial Services and Markets Act 2000 and the Plan Manager takes responsibility for their acts and omissions. If appropriate, the Securities will be held by our custodian, which is currently The Northern Trust Company. The Plan Manager is not responsible for the acts or omissions of the custodian. If the Plan Manager were to become insolvent, you might encounter delays in recovering the cash value of your Securities, and an increased risk of loss. Any shortfall would be shared by all affected investors in the Plan on a pro-rata basis (or as otherwise required under the Rules).
- c. The Plan Manager will hold, or arrange for the safekeeping of, any certificate or other document issued which shows title to the Securities. The Plan Manager will not lend documents of title to any other person and money may not be borrowed on your behalf against the security of these documents.
- d. Unless you tell the Plan Manager otherwise, the Plan Manager may, if the Regulations allow, make arrangements, when appropriate, to use the voting rights of your Securities.
- e. About a month before the Securities mature or in the event of a potential early maturity, the Plan Manager will contact you to explain the various options available to you at maturity of your Plan.
- f. The Plan Manager may use agents in connection with the services that we provide to you, and may delegate any or all of our powers or duties to any delegate(s) of our choice, in accordance with the Regulations. The Plan Manager will satisfy itself that any person to whom we delegate any of our functions or responsibilities is competent to carry out those functions and responsibilities.
- g. The Securities are structured so that the amount you are due to receive from your Plan at maturity is in accordance with the Plan Objective.

9. Charges

- a. The terms on which the Plan Manager will purchase Securities for you will reflect certain charges, fees and expenses. The total charges will be up to 3%. This will not affect the calculation of returns described in the Plan Brochure.
- b. If you decide to pay any financial adviser charge, you may instruct the Plan Manager to deduct and pay such fee from your Subscription. In all cases the level of such charge must be agreed by you with your financial adviser.
Any charge will be based on either an agreed percentage of the amount to be invested or an agreed cash amount in relation to the Plan. This charge will be deducted from your Subscription, reducing the amount of money invested in the Plan by this amount (the amount remaining is your Net Subscription).
This must be confirmed to you at the time you agree to invest in the Plan. You are responsible for checking that the amount shown is correct. The Plan Manager will not be responsible for recovering any overpayment from, or making up any underpayment to, your financial adviser if the amount shown on the confirmation is not the amount you have agreed with your financial adviser.
- c. A current fee of £150 plus VAT will apply if you surrender or partially surrender your Plan.
- d. If your Plan is a NISA and you transfer its value to another Plan Manager during the term of the Plan we will deduct the current transfer charge of, £150 plus VAT.
- e. We reserve the right to increase the charges set out in Conditions 9c and 9d in line with rises in the Retail Prices Index in accordance with Condition 26.
- f. A schedule of the charges is set out on page 14 of this Brochure. The schedule is also available from your Financial Adviser.

10. Taxation

- a. If your Plan is a stocks and shares NISA and you live in the UK, you will not, under current tax rules, have to pay UK Income Tax or UK Capital Gains Tax on the profit from the Plan, but any losses on your Plan will be ignored for the purposes of UK Capital Gains Tax.
- b. If your Plan is, or becomes, a Direct Investment you may, depending on your circumstances, have to pay tax on any interest or income you receive and/or on any capital gain from selling the Plan.
- c. The taxation information in this Condition is based on our understanding of current tax legislation, regulation and practice,

which may change in the future and may be applied retrospectively. The tax treatment of your investment will depend on your personal circumstances.

11. Keeping you informed

- a. The Plan Manager will send you an acknowledgement of your Application Form within five working days of Receipt.
- b. The Plan Manager will send details of the purchase of Securities for your Plan, shortly after they have been purchased.
- c. The Plan Manager will give you a report and valuation of your Plan at six monthly intervals, as set out in the Brochure.
- d. You can contact the Plan Manager by telephone, email, fax or letter for any other information you require on the Plan.
- e. The Plan Manager will be able to provide you with information over the telephone after successful completion of its verification of identity procedures, which may include the need to provide one or more characters from your confidential password and/or the provision of personal information, from which the Plan Manager can identify you.
- f. You can obtain information on your investment by accessing our web-based service. When you elect to use the service the Plan Manager will send you a password by email and username by post. You should use these to enter the secure client section of the website and, once in the site, you can change either or both of these.
- g. If you request, the Plan Manager will send you any information issued to holders of the Securities in which you invest. If you request, the Plan Manager will invite you to vote at meetings. If you want to go to meetings in person, we will try to arrange this. The Plan Manager has the right to make a reasonable charge for providing these extra services.
- h. Unless you elect to receive ongoing paper correspondence on your Application Form, the Plan Manager may provide all information and correspondence in electronic format, via email and/or web services. The Plan Manager may also offer alternative media for information and correspondence from time to time.

12. Transfers

- a. You have the right to transfer your stocks and shares NISA to another NISA Manager, as appropriate, at any time and the receiving NISA Manager should request the payment from the Plan Manager in writing.
- b. If you choose to transfer before the Maturity Date of the Plan, as defined in the Plan Brochure, the Plan Manager will carry out the sale of the Securities you hold, as set out in Conditions 13a & 13b. The Plan Manager will sell the Securities at the next dealing date and

Terms and Conditions - continued

issue payment for the net proceeds. The Plan Manager will deduct from the sale proceeds the charges outlined on page 14, before payment to the new NISA Manager.

- c. You cannot transfer part of the Securities you hold in your Plan unless as specified in 12d.
- d. If your Plan holds securities issued by more than one issuer, you may, subject to the Regulations, separately transfer the value of the securities issued by one or more issuers.

13. Closing Your Plan

- a. You may close your Plan at any time by giving the Plan Manager your written instructions. This will not affect any transactions the Plan Manager has already started to carry out. The Plan Manager will sell the Securities at the next dealing date and issue payment for the net proceeds (less any applicable fees). The Plan Manager will usually carry out this procedure within 28 Business Days.
- b. The value of your Securities will be dependent on the market price of your holdings at the date of sale. The price will be quoted by the market maker and will reflect the limited market in the Securities.
The market maker reserves the right to cease to make a secondary market if market conditions or its corporate circumstances materially change.

- c. If your Plan holds Securities with more than one Issuer the provisions of Condition 13b will apply independently in respect of each Issuer.
- d. Before you close or transfer your Plan prior to maturity you should consider that the Plan is designed to be held for the full investment term.
- e. If circumstances arise where the Plan Manager needs to close your Plan at any time, we will notify you in writing and in accordance with Condition 26. This will not affect any transactions the Plan Manager has already started to carry out.
- f. Once this agreement has ended, the Plan Manager will not carry out any transactions, except to allow the Plan Manager to pay the proceeds of the Securities in accordance with your instructions.

14. Death

- a. If you die during the term of the Plan, the Plan Manager will act on the instructions of your personal representatives.
- b. The Plan Manager will confirm the value of the Securities as at the date of death and will advise your personal representatives of its requirements.

- c. If they elect to do so, your personal representatives are able to re-register the ownership of the Plan and hold it until the Maturity Date.
- d. If your personal representatives wish to encash the Securities the charge set out in on page 14 will apply.
- e. If your Plan is a stocks and shares NISA it will cease to be exempt from tax from the date of death.

15. Business Disruption, Market Disruption and Adjustment Events

- a. The Plan Manager will perform its obligations set out in these Terms and Conditions unless events outside of its reasonable control prevent or restrict it from so doing. Such events are outlined below. If such an event occurs, one consequence may be that a payment due to you is adjusted, reduced or delayed. In all cases the Plan Manager will use due care when considering how to respond and its response will be fair and proportionate. Neither the Plan Manager nor the Plan Administrator will be liable for any failure or delay in performing its obligations, as described in the Brochure or these Terms and Conditions, caused by a Business Disruption Event and will use reasonable efforts to minimise any adverse impact on you as far as they reasonably can. If you are being disadvantaged we will tell you as soon as possible.

A Business Disruption Event means a significant event which is outside the Plan Manager's control. Examples are:

- Strikes, lockouts or other industrial action;
- Civil commotion, riot, invasion, terrorist attack or threat of terrorist attack, war, the threat of, or preparation for, war;
- Fire, explosion, storm, flood, earthquake, subsidence, epidemic or other natural disaster;
- Restrictions imposed by legislation, regulation or other governmental initiatives that are not a result of misconduct;
- Recession or significant economic collapse of a market or country;
- Failure of transport networks or other external utilities (for example telecommunications networks, water or power) leading to unavoidable disruption;
- The suspension, limitation or material disruption of trading of any underlying index or share to which interest from the Plan is linked;
- The exchanges on which any underlying index or share, to which interest from the Plan is linked, failing to open for trading or closing early;

- The exchanges on which the constituent shares of any index to which interest from the Plan is linked failing to open for trading or closing early; or
- The level of any underlying index or share, to which interest from the Plan is linked, is not calculated or published.

There may be other significant events outside the Plan Manager's control that it is unable to anticipate. If such an event impacts its ability to perform its obligations under the Plan, we will advise you as soon as reasonably able, and let you know how it intends to deal with it. How quickly it would be able to notify you may depend upon the severity of the event.

- b. Adjustment events can arise for different reasons and may affect a stock market, an index or an individual company. Should any share and/or index, to which the interest from the Plan is linked, experience an event of the nature of the examples above, which has or may have an effect on the value of its shares, the Counterparty or one of its affiliates may at its sole and absolute discretion and in good faith, determine whether any adjustment to the terms and conditions of the Security is required.

Any adjustment could include the amendment of the Opening Level, removal or substitution of the affected share and/or index, or even bring forward the Maturity Date of the investment.

Examples which may constitute an adjustment event include, but are not limited to, insolvency, suspension, delisting, a rights issue, a merger with or takeover by another company and nationalisation, a material change in the calculation of an index, the cancellation of an index or the failure of an index sponsor to calculate and announce the level of an index.

As soon as practical, the Plan Administrator will advise you of any adjustment to be made to the terms and conditions of the Plan.

The terms of the Plan contain provisions which may result in adjustments to the calculation of your entitlement to any payments which would otherwise become due from the Plan and/or the timing of such calculation as a result of extraordinary circumstances, disruption or certain adjustment events.

- c. Any payment due to you under the Plan is dependent on payment being made by the Counterparty, in accordance with the terms of the investment. These terms contain provisions which may result in adjustments to the calculation of your entitlement and/or the timing of such calculation as a result of certain adjustment or market disruption events.

Terms and Conditions - continued

Depending on the event or circumstance, you may have to wait longer for the maturity proceeds than the Maturity Date.

16. Prevention of money laundering

- a. Your financial adviser has to verify your identity for the purpose of anti-money laundering regulations and will probably have asked you for sight of various documents in order to fulfil this requirement. The Plan Manager is able to accept the verification provided by your adviser but does reserve the right to request additional information and/or documentation to satisfy its own anti-money laundering procedures.
- b. The Plan Manager will carry out electronic checks on your identity before the Plan Manager can accept an application from you or prior to selling Securities on your behalf. This is so that the Plan Manager can be sure that they are taking instructions only from the correct person. The check will be carried out using a reliable and reputable electronic database agency. This is not a credit check and will leave a different 'footprint' on your electronic record to that left by a credit check.
- c. This enables the Plan Manager to comply with the UK anti-money laundering regulations and the Rules and is for your protection. In completing an application you give the Plan Manager permission to obtain such information.
- d. It might be necessary for the Plan Manager to ask you for, and for you to provide, more information as part of this process.

17. Providing information to HM Revenue and Customs

- d. You agree to give the Plan Manager any documents and information that the Plan Manager asks for in support of your application.

20. Liability

- a. The Plan Manager will use reasonable care and skill to carry out the obligations set out in these Terms and Conditions and will be liable to you, if a Rule or a Regulation is broken, only for any negligence or deliberate fraud on its part, or that of any associated companies or any employees of one or more of those companies. The Plan Manager will not be liable to you or have any responsibility for any loss or damage you suffer as a result of any event or circumstance that is not reasonably within its control. The Plan Manager will not be liable to you for any act or fraud by any person, firm or company through, or with whom, transactions are carried out on its behalf (other than any bankers, firms, companies or any employees of companies who are associated companies).
- b. The Plan Manager will not be liable or have any responsibility of any kind for any loss or damage you suffer as a result of any failure, interruption or delay in carrying out its obligations resulting from:

- d. Nothing in these Terms and Conditions of business will exclude, or restrict to an extent prohibited by the rules of the FCA, any duty or liability the Plan Manager may have under the regulatory system (as defined by the Rules). Nothing in these Terms and Conditions of business will exclude any obligations the Plan Manager may have in common law.

21. Complaint Handling

- a. You may complain to the Compliance Officer of the Plan Manager about any aspect of your dealings with the Plan Manager, at the address shown within the Plan Brochure.
- b. If you request, the Plan Manager will send you written details of how we will deal with your complaint.
- c. If you are not satisfied with the way the Plan Manager has dealt with your complaint you can complain to the Financial Ombudsman Service at South Quay Plaza II, 183 Marsh Wall, London E14 9SR.
Tel: 0800 023 4567.
- d. Making a complaint will not affect your right to take legal action.

22. Access to the Financial Services Compensation Scheme

- a. In the event that the Counterparty or the Issuer, with whom the Plan Manager deals on your behalf, fails to meet its obligations to pay us the amount due from the Securities, you will not, for that reason alone, be entitled to compensation.
- b. Meteor Asset Management Limited and Meteor Investment Management Limited are covered by the Financial Services Compensation Scheme and you may be entitled to compensation from the scheme if the Plan Manager cannot meet its obligations.
- c. Your entitlement would depend on the type of business and the circumstances of the claim. Most types of investment business are covered for £50,000 per person per firm.
- d. You may be eligible to make a claim if any of the banks we use, or may use in the future, become insolvent whilst holding your money prior to the purchase of the Securities or pending payment to you of the amounts received at the maturity or early redemption of the Securities.

Terms and Conditions - continued

The compensation limit is currently £85,000 per person and this applies to all deposits you hold with the insolvent bank and any other member of its group. You would not be covered for any excess amount over the compensation limit.

23. Governing law

- a. These Terms and Conditions will be governed by English law and will come into force when the Plan Manager receives your signed Application Form for the Plan.

24. Enforcement

- a. If any of these Terms and Conditions are held to be unenforceable this shall not affect the validity and enforceability of the remaining provisions. The unenforceable provision will be replaced by an enforceable provision which comes closest to the intention of the unenforceable provision, and which is of similar economic effect.
- b. If the Plan Manager fails, or chooses not to, enforce any provision of these Terms and Conditions this will not constitute a waiver of its right to subsequently enforce such provision or any other provision of these Terms and Conditions.
- c. None of the Plan Manager's employees, officers or agents may verbally alter, modify or waive any provision of these Terms and Conditions.

25. Data Protection statement

- a. The Plan Manager may hold personal and financial information on computer and manual systems, and use this to handle and service your investment and to put together statistics for assessment and analysis.
- b. The Plan Manager may make your personal and financial information available:
